ADRENALINE *Rush*

MIRACLE PLAYGROUNDS ARE ELECTRIC.

We're talking about those crackling, contagious currents that kids create, from the sound of an upside-down belly laugh to the kinetic energy of a slide. That's what fuels our craft, day in and day out.

Miracle has an app!

Just search "Miracle Recreation" in the App Store to download the app to further enhance your Miracle experience! Whenever you see this icon, use the app to scan the image to unlock great new content including product info, additional images, videos, and more!

Thrill IS OUR MIDDLE NAME

...and has been for 88 years. We continue to push the boundaries of play, and the big ideas that inspire our work today are exactly the kinds of ideas that got us started.

The Birth of the Iconic Miracle Whirl

In 1927, Johnnie Ahrens—father of Miracle Recreation Equipment Company Founder Claude Ahrens—imagined a horseless merry-go-round powered by kids. Just grab the bar, shift your weight, and voila! You're spinning!

ENDLESS INNOVATIONS

We've continued to innovate, building bigger, taller, and smarter.
And that's not something we plan to change any time soon.

In the 1950s, Miracle pioneered the use of colorful, splinter-free fiberglass in playground equipment.

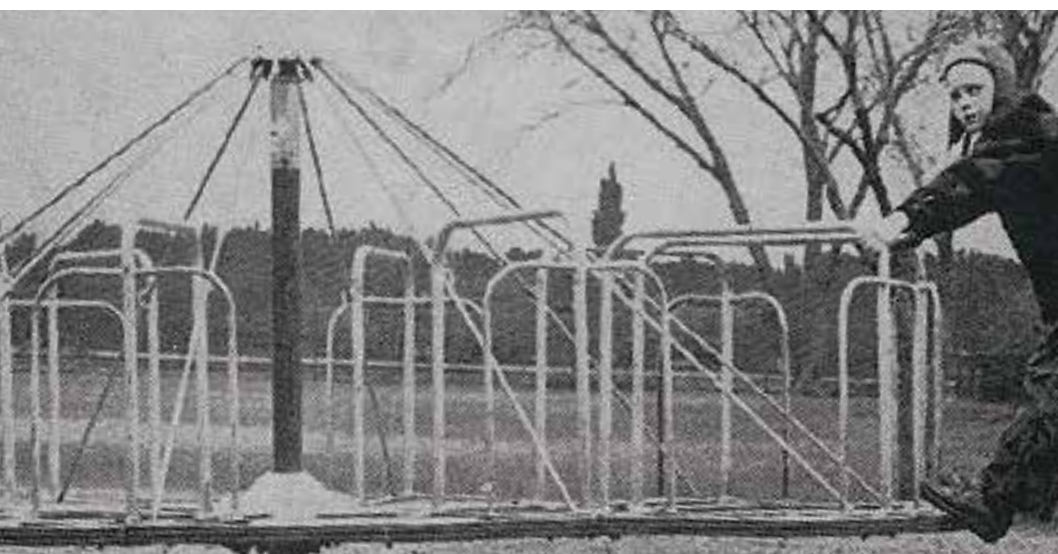

In the 2000s, we introduced another icon: the Mega Tower® design, complete with the industry's tallest slides.

In 2015, Miracle brings thrilling play for children of all abilities with the innovative, new Avalanche Inclusive slide.

Miracle now holds more than 38 patents registered with

THE MIRACLE *Advantage*

If you can dream it, we can do it—with unfailing expertise and an acute eye for detail. We'll stick with you every step of the way, from designing and specifying to funding, purchasing, and installation.

We want you to feel confident about choosing Miracle. Our customized, FREE design process ensures that you'll find the right products for the right price.

CONTACT YOUR
Miracle-Worker

to bring your project to life!

1-888-458-2752

We're committed to providing equipment that meets and/or exceeds the performance safety specifications established by organizations such as ASTM, CPSC, CSA, CPSIA, IPEMA, and EN.

To verify product certification, visit www.ipema.org.

WE MAKE QUALITY A PRIORITY

VERSALOK®

Our patented clamp design features a stainless steel, tamper-resistant fastener that eliminates the need for stacking multiple clamps.

GATOR GRIP®

The 3D textured pattern makes it easy—and comfortable—for kids to hold on tight.

ANTI-MICROBIAL COATINGS

Cooties beware! These are available in select Miracle paint colors to help prevent the spread of bacteria.

MIRA-THERM™

This textured, vinyl coating for deck surfaces helps prevent rapid heat transfer, while the circle pattern keeps little fingers safe from harm.

We stand behind our products. See our Comprehensive Warranty coverage on pg. 201.

We're Eco-Friendly, Too

We use recycled tires to make rubber mulch surfacing and recycled plastic to build Miracle Trim Timbers®. We also sell plastic regrind to keep it out of landfills, and we're OHSAS 18001 and ISO 14001 certified.

Protect YOUR PLAYSPACE

MIRACLETECH SECURITY*

A new playground is a big investment, both financially and holistically. Security problems like vandalism, graffiti, and theft cost playground owners millions of dollars each year. Combine that with the risk of child abduction and other violent crimes, and playground security becomes a top priority.

That's why we've developed MiracleTech® Security: to help keep your playgrounds, as well as the children who use them, as safe as possible.

THE NOT SO BORED OF DIRECTORS

MEET OUR EXPERTS

What do an 11-year-old triathlete, former NASA astronaut, pro surfer, occupational therapist, and kid gymnast have in common?

They're all members of Miracle's Not-So Bored of Directors—a diverse panel of risk-takers, boundary-pushers, knowledge-seekers, and go-getters who inform and inspire our work.

We think you'll be inspired, too.

CONNOR LONG TRIATHLETE AND NOT-SO BORED CHAIRMAN

In 2012, Sports Illustrated named Connor the "SportsKid of the Year," along with his little brother, Cayden. That's because, even though Cayden has cerebral palsy, the boys compete together in triathlons.

Connor shares our belief that no child should be excluded from the excitement of play. He's brimming with hundreds of ideas for Miracle—he even helped design the new Miracle playground in his hometown!

DR. ZOE MAILLOUX OCCUPATIONAL THERAPIST

Nationally and internationally recognized for her expertise in child development, autism, sensory integration, test development, and occupational therapy—whew!—Zoe knows that play is an integral part of a healthy childhood. With Zoe's insight, we make sure every child has a chance to benefit from the exciting opportunities that play has to offer.

CLAY MARZO PROFESSIONAL SURFER

The crashing, splashing waves of the ocean are Clay's playground. He's a national surfing champ who comes alive the moment his board hits the water. Clay also has Asperger's Syndrome. He embraces his individuality, encouraging kids to do their own thing, and inspires us to dream up more unique, exciting creations for every kind of kid.

TOM HENRICKS ASTRONAUT

When he was a NASA Space Shuttle Commander, Tom traveled at a speed of five miles per second. Talk about an adrenaline rush! He was also the first commander to log more than 1,000 hours in space. Tom believes that kids should get outside more often and encourages them—and us!—to dream big.

KATIE CURRIER GYMNAST

One of the country's best trampolinists at just 12 years old, Katie aspires to compete in the 2020 USA Olympics. When she's not tumbling or perfecting her trampoline tricks, Katie studies hard as an honors student. She knows that play should be challenging, enjoyable, and safe, and reminds us to raise the bar when it comes to our play structures.

Play FOR ALL, ALL FOR PLAY!

INCLUSIVE PLAY

Every child deserves a safe, interactive, and enjoyable play environment. We can design your playground to not only meet ADA requirements but also to be engaging for children of all abilities. We offer a variety of products that provide additional accessibility and sensory benefits to create a truly inclusive play space.

Contact your local sales representative to help you create a fun and exciting, inclusive playground, today!

Playgrounds in this catalog marked with a wheelchair icon have been designed to meet ADA requirements.

.....

Our website also has inspirational stories, videos, and images of inclusive playgrounds. Check it out at www.miracle-recreation.com/planning/solutions/inclusive-playgrounds

MUST-HAVES FOR AN INCLUSIVE PLAYGROUND

1

ACCESSIBILITY

There must be an ADA-approved route to the playground use zone.

2

EQUAL OPPORTUNITY PLAY

All kids should be able to participate in elevated and ground-level play. Ramps and transfer points throughout the playground allow children of all abilities to engage.

3

VARIETY

Integrating a variety of play opportunities can allow children to explore, develop and integrate all their senses, including the sensations of touch, movement, body awareness, vision and hearing while supporting motor planning and social play experiences.

4

INTEGRATION

The play space should feel like a cohesive community where accessible and sensory-rich play opportunities are located in the midst of all the action.

Meet Dr. Zoe Mailloux

Dr. Zoe Mailloux, a pediatric occupational therapist, is highly respected for her knowledge on the importance of play for children, including those on the autism spectrum. Zoe joined the Not-So-Bored of Directors to help us design playgrounds that are exciting and challenging for every child.

NEW

AVALANCHE INCLUSIVE SLIDE

SEE PAGE 28 FOR PRODUCT DETAILS

This is the first and only accessible slide of its kind. The lower transfer point allows children to access the slide from ground level. From there, they can pull themselves up by gripping the side rail. Once they've reached the desired height, gravity whisks them down the slide.

★
SENSORY
BENEFITS:

“The **Avalanche Inclusive Slide** is great for developing upper body strength. It also facilitates many other sensory motor skills as children go up and down the slide. For children with autism and other sensory needs this sort of intense movement is important and often hard to find.”

Dr. Zoe Mailloux NOT-SO BORED OF DIRECTORS MEMBER

TEN SPIN

SEE PAGE 174 FOR PRODUCT DETAILS

Built to accommodate up to 10 kids at once, this popular, freestanding event allows children of all abilities to join in the fun by either sitting, kneeling, or standing.

SENSORY BENEFITS:

In addition to the benefits of the rotary motion to support balance, the cozy cocoon shaped seats offer postural support, providing helpful boundaries for children who need help recognizing and adjusting the position of their bodies.

CLOVER LEAF SANDBOX

SEE PAGE 177 FOR PRODUCT DETAILS

Specifically designed with multiple access points, this inclusive sandbox offers sensory play for children with varied developmental and physical needs.

SENSORY BENEFITS:

Children can enjoy the nurturing and valuable elements of tactile play at the “just right” height for everyone. The divided sections also enable children to play among peers but while staying in their own personal space.

SCAN
IMAGE

ACCELERATOR SWING

SEE PAGE 183 FOR PRODUCT DETAILS

Built with a large disc and protective rubber bumper, this group swing incorporates the motion of a traditional swing with the added fun of interactivity.

SENSORY BENEFITS:

Up and down, side to side and all the way around—the Accelerator Swing helps activate and integrate the important sense of movement and gravity—the vestibular sense.

THERAPEUTIC SWING SEAT

SEE PAGE 183 FOR PRODUCT DETAILS

Our Therapeutic Swing provides a safety harness for children in need of extra security and support.

PULL ALONG

SEE PAGE 176 FOR PRODUCT DETAILS

This wheelchair accessible freestanding event offers a slider bay and overhead climber, providing multiple play events in one.

SENSORY BENEFITS:

Allows children to slide back and forth, providing deep muscle pressure that supports and develops the vital sense of body awareness - proprioception. Learning about position, grading of force and developing upper body strength and coordination are other benefits of the Pull Along.

REFLEX

SEE PAGE 176 FOR PRODUCT DETAILS

Children can ride the waves and enjoy the up and down motion of the Reflex. Multiple children can work together to achieve a smooth, swaying movement.

SENSORY BENEFITS:

The up and down movement that is hard to find on most playground equipment not only provides crucial vestibular sensation, but also supports the development of balance, postural control, and core strength and position awareness.

Parks AND RECREATION

MAKE A PLAY DESTINATION

Parks provide an ideal space for playgrounds to become community centerpieces and sought-after retreats for families to enjoy. Whether you're replacing an older play structure or building a brand new park facility, our experienced network of playground professionals can make it happen.

SIMPLIFYING THE BIDDING PROCESS

As a proud partner with National Joint Powers Alliance (NJPA), we make the bidding process easy. Contact your Miracle worker for more information.

714-S385

Designs with Impact

We've got what it takes to excite a community. From our skyscraping Mega Tower® structures and our fun, freestanding play equipment, to inclusive products for children of all abilities, Miracle knows how to bring thrill for all.

Quality & Durability

Our quality is second to none. With our stainless steel tamper-resistant hardware Versalock® Clamping System, 5" powder-coated steel posts, Mira-Therm™ vinyl deck surfaces, and unique Gator Grip®, our products will stand the test of time.

718-S141

714-S395

Warranty

We stand behind our products with a limited warranty for as long as you own the product and a 15-year warranty on all rigid main play structure plastics, steel and vinyl-coated components. See page 201 for details.

School RECESS

INSPIRE KIDS TO LEARN

Elementary school playgrounds: where kids scramble to the slides, dangle from monkey bars, and let their imaginations soar.

Recess may be a break from the classroom, but there's still a lot of learning to be done on the school playground. That's why we make sure our products are not only fun, but also challenging.

DAY IN, DAY OUT DURABILITY

Our playgrounds are built to endure hundreds of children on a daily basis. We back this up with our limited warranty. See details on page 201.

714-S401

Raising Funds

We can help plan your project and provide resources for funding options. To learn about our FunRaising™ opportunities, see page 23.

Easy to Start

FREE consultation, playground designs, and planning assistance. Contact your Miracle Worker today!

714-S398

SCHOOL RECESS

714-S412

Safety First

We comply with CPSC guidelines for public playgrounds, as well as other industry standards. See page 4 for details.

Urban PLANNERS

CREATE KID-SIZED SKYSCRAPERS

At Miracle, we know that urban-friendly playgrounds have many factors to contend with: towering architecture, bustling people, ample excitement, and the need for built-in resilience.

Miracle play equipment not only provides a fun, safe place for kids to express themselves—it also stands up to the potential wear and tear of a city environment.

PLAY THAT FITS IN

We know it's important for urban play structures to work with their surroundings. Our experienced sales representatives can work within the confines of any space and propose the right design or theme to compliment the environment.

Busy Parks Need Big Fun

The ever-popular Miracle Mega Tower® takes play to higher ground and creates a focal point in any urban park.

Strength & Durability

From stainless steel slides (pg. 121) and a variety of steel climbers (pg. 102) to our vast selection of steel play panels (pg. 149), we've got the products to suit your city park environment.

714-S410

WARNING!! Contact burn injuries can occur when metal play surfaces are located in direct sun. To avoid the risk of such burn injuries, the United States Consumer Product Safety Commission recommends in it's "Handbook for Public Playground Safety" that metal play surfaces, such as stainless steel slides and bare or painted metal crawl tubes, should be placed/installed in shaded areas, and out of direct sunlight. The proper location of metal play surfaces must be addressed during the play area planning process.

PUSHING THE LIMITS WITH OUTDOOR FITNESS TRAINING

Whether the experience is fast-paced with maximum effort or simply stretching under the sun, Outdoor Training System offers a comprehensive exercise system focused on improving strength, building muscle, increasing cardio vascular fitness, and burning fat. Place it along a fitness trail, work-out zone, high school or college field. Five exercise stations can be used as stand-alone events or configured together, creating the perfect outdoor training environment for either small groups or individual work-outs.

Group Fit 1

OTSM1

5 Stations + 6 Connectors + 6 Posts

Check out our Outdoor Training System brochure for more details.

Style, Safety, Durability and Environmental Accountability—Miracle® Playground Surfacing Has You Covered!

Miracle's two earth-friendly playground surface options offer great choices for any playground. Select one here, or browse online at miracle-recreation.com.

Play Terrain® Synthetic Turf

It looks and feels like lush, natural grass. But revolutionary Play Terrain® Synthetic Turf delivers even more!

- No turf is "greener!" No watering, fertilizers or pesticides
- 100% recyclable
- Nearly maintenance-free
- Shock absorption and impact protection from falls
- Designed in accordance to fall heights for 6', 9' and 12' per ASTM F 1292
- IPEMA Certified
- Play Terrain® Synthetic Turf incorporates anti-microbial coated sand infill to minimize mold and mildew!
- Safely eliminates potentially harmful buried debris
- Completely ADA-accessible; fully complies with ASTM and ADA accessibility requirements (ASTM F 1951)
- Durability; weathers all climate conditions (rain, temperature, etc.)
- Accommodates different styles, sites (slopes, contours, etc.)

Play Terrain® Rubber Mulch

Miracle's loose fill Play Terrain® Rubber Mulch delivers great safety protection for the dollar, and its durability is ideal for high-traffic playgrounds in public parks, schools and churches!

- Our earth-friendly rubber mulch is from 100% recycled materials
- Made from 100% clean recycled tires (vulcanized)
- Proven durability: 10-year warranty* on product performance
- Proprietary UV stabilized color technology warranted for 8 years against a complete color loss
- Non-toxic, with non-toxic colorant that won't rub off on kids
- Won't crack, harden, deteriorate, rot or decompose as wood will
- Suitable for fall height ratings up to 12' at proper surfacing depth
- IPEMA tested and certified; also meets wheelchair accessibility specification ASTM F1951
- Meets or exceeds US Consumer Product Safety Commission (CPSC), IPEMA and ASTM criteria for safety surfacing attenuation and absorption

PARTNERSHIPS

MIRACLE® PARTNERS WITH:

GSA ADVANTAGE!

Miracle® Recreation Equipment Company (approved ISO 9001 and ISO 14001 certified) is a supplier to the US General Services Administration. You can shop for Miracle® Products electronically from the GSA Advantage website. Miracle's GSA number is: GS07F9713G

NJPA

Miracle is proud to partner with the National Joint Powers Alliance (NJPA). They go through the same competitive bid process, so you don't have to.

CERTIFICATIONS AND AFFILIATIONS:

- ISO 9001 Certification: The International Standards Organization is a network of national standard institutes from 146 countries that work in partnership with international organizations, governments, industry, business and consumer representatives to develop universal standards for quality, environmental and management processes. Miracle's ISO 9001:2008 certification demonstrates documented, world-class manufacturing quality control practices are being employed to support our quality commitment to you.

- Miracle Recreation® Equipment Company's processes and factory are certified as compliant to ISO 14001-2004 Environmental Management Standards.

- In the interest of playground safety, IPEMA provides a Third Party Certification Service whereby a designated independent laboratory validates a participant's certification of conformance to ASTM F1487, Standard Consumer Safety Performance Specification for Playground Equipment for Public Use, except sections 10 & 12.6.1; CAN/CSA Z614, Children's Play Spaces and Equipment, except clauses 9.8, 10 & 11; or both. The use of the corresponding logo in Miracle's catalog signifies that Miracle® has received written validation from the independent laboratory that the product(s) associated with the use of the logo conforms with the requirements of the indicated standard. Check the IPEMA website at www.ipema.org to confirm product validation.

- The space requirements in this catalog are shown to ASTM standards. Requirements for other standards may be different.

- European Norm EN-1176. Miracle® offers playgrounds that have been certified by TÜV Product Service, the recognized testing house designated by the European Union. This certification demonstrates compliance with the European Harmonized Standard for Commercial Play Equipment, EN 1176.

- IPEMA Member: Miracle® is a member in good standing of the International Play Equipment Manufacturer's Association (IPEMA), a member-driven international trade organization which represents and promotes an open market for manufacturers of play equipment.

- Canadian Welding Bureau Certified

WARRANTY

COMPREHENSIVE COVERAGE WITH THE MIRACLE® LIMITED WARRANTY

Buyer agrees that products sold by Miracle Recreation Equipment Company carry only the following warranties:

1. LIMITED WARRANTY FOR AS LONG AS YOU OWN THE PRODUCT against structural failure due to corrosion and defects in materials and workmanship on aluminum deck posts, steel deck posts, the VersaLok® fastening system, and associated fastening hardware.
2. LIMITED FIFTEEN (15) YEAR WARRANTY against structural failure due to corrosion and defects in materials and workmanship on steel support legs and Mira-Therm™ II on MEGA TOWER®, TOTS' CHOICE®, KIDS' CHOICE®, CENTER STAGE®, Nexus® and Boulder Ridge® Rock Wall; on playsystem steel components including railings, rungs, and rigid climbers; and Rockite®.
3. LIMITED FIFTEEN (15) YEAR WARRANTY against structural failure due to corrosion and defects in materials and workmanship on all PlayCover® and Outdoor Training System steel frames.
4. LIMITED TEN (10) YEAR WARRANTY on Play Terrain® Rubber Mulch safety surfacing against total color loss and for attenuation performance. Please contact your local representative for more information.
5. LIMITED EIGHT (8) YEAR WARRANTY on Play Terrain® Synthetic Turf safety surfacing for attenuation performance and appearance. Please contact your local representative for more information.
6. LIMITED EIGHT (8) YEAR WARRANTY against rot, UV deterioration and defects in materials and workmanship on all PlayCover® fabric (NOTE EXCEPTION - shades of red carry LIMITED THREE (3) YEAR WARRANTY).
7. LIMITED FIVE (5) YEAR WARRANTY against structural failure due to defects in materials and workmanship on Kidrox® Climbing Rocks.
8. LIMITED FIVE (5) YEAR WARRANTY against degradation of design loading capabilities on all Webscapes® Net Climbers and Nexus® Nets (NOTE EXCEPTION - Webscapes® Net Climbers and Nexus® Nets carry a LIMITED ONE (1) YEAR WARRANTY against defects in materials and workmanship).
9. LIMITED THREE (3) YEAR WARRANTY against failure due to defects in materials and workmanship on Trim Timbers®.
10. LIMITED ONE (1) YEAR WARRANTY against failure due to defects in materials and workmanship on Slashproof Swing Seats and 360° Bucket Tot Seats for Swings.
11. LIMITED ONE (1) YEAR WARRANTY against structural failure due to defects in materials and workmanship on the following products and components: TODDLERS' CHOICE® main support materials and decks; pool slide support structures, stairways, landings, and railings; and bleachers.
12. LIMITED ONE (1) YEAR WARRANTY against failure due to defects in materials and workmanship on all MiracleTech™ Security products, including ParkWatch™, SonicScreen™ and SiteBrite™.
13. LIMITED ONE (1) YEAR WARRANTY against structural failure due to defects in materials and workmanship for all products and components that are not specifically listed above, including, without limitation, all moving parts, such as swing hangers, swivels, chains, whirls, trolleys and flexible climbers.

BUYER'S REMEDY: If any products prove defective or non-conforming under normal use and within the above-prescribed warranty periods, Buyer must promptly notify Miracle in writing at 878 E. Hwy 60, Monett, MO 65708 USA. Miracle will within a reasonable time and in its sole discretion repair or replace such defective or non-conforming product by providing replacement products or part(s) free of charge to the site. Miracle's limited warranties do not cover the cost of labor to remove defective or non-conforming part(s) or to install repaired or replacement part(s).

All warranty periods begin on the date of Miracle's invoice. Repaired and/or replacement part(s) are warranted only for the balance of the original limited warranty. All warranties extend only to the original Buyer/end user of products from Miracle or Miracle's authorized reseller and are not transferrable.

These limited warranties apply only to Miracle products that are erected and installed in conformance with Miracle's installation instructions, and that are maintained and inspected in conformance with Miracle's maintenance and operational instructions. These limited warranties specifically do not cover Miracle products: that have been modified, altered, or misused; that have not been used as designed or intended; to which non-Miracle parts have been added or substituted; or that have been damaged due to excessive wear and tear, vandalism, abnormal use, abuse, negligence, extraordinary weather or acts of God. MiracleTech Security™ systems limited warranties do not cover products serviced or repaired by unauthorized service providers. These limited warranties do not protect against color fade, except for PlayCover® as noted above. Buyer, by acceptance and use of these limited warranties, waives any rights it would otherwise have to claim or assert that this limited warranty fails of its essential purpose. Buyer agrees that venue for any court action to enforce these limited warranties shall be in Barry or Greene Counties in the State of Missouri.

EXCEPT AS EXPRESSLY WARRANTED HEREIN, MIRACLE EXPRESSLY DISCLAIMS ANY OTHER WARRANTIES, INCLUDING IMPLIED WARRANTIES OF MERCHANTABILITY OR FITNESS FOR A PARTICULAR PURPOSE AND THOSE ARISING BY STATUTE OR OTHERWISE IN LAW OR FROM COURSE OF DEALING OR USAGE OF TRADE. IN NO EVENT SHALL MIRACLE BE LIABLE FOR ANY SPECIAL, INCIDENTAL, PUNITIVE OR CONSEQUENTIAL DAMAGES, WHETHER BASED UPON CONTRACT, TORT, OR ANY OTHER LEGAL THEORY (INCLUDING WITHOUT LIMITATION, DAMAGES FOR LOSS OF PROFITS, BUSINESS INTERRUPTION, LOSS OF INFORMATION, CONSEQUENTIAL, INCIDENTAL, INDIRECT OR SPECIAL DAMAGES OR OTHER PECUNIARY LOSS).
